

TRANSITION INFO SESSIONS

As part of Excentia's commitment to supporting families throughout the lifespan, we want to assist families who are navigating the unfamiliar landscape of transitioning their children from preschool to school age programming. We are providing free information sessions for families to help make this process less intimidating and more effective. Sessions will include a presentation on strategies, take-home actionable materials and a Q&A session.

Shelly Koch

Excentia Transition Specialist

Shelly will serve as a resource to families, helping them to connect to and fully access all the appropriate services and supports available to prepare for a rich and fully engaged life in the community.

For each date, we will offer a 10:00am to 12:00pm session and a 6:00pm to 8:00pm session.

To sign up, please go to ourexcentia.org, scroll to the bottom, and fill out the "Leave Us a Message" form. You can also note any questions or topics you would like to hear about in the sessions.
